## Point Of Grace, Life, Love And Other Mysteries

You are lord of life, love and other mysteries I find in you all I ever need to know VERSE 1 Some say that life is a stream of romances To some its a series of choices and chances While some only live for the curious dances Of whatever music's at hand VERSE 2 Some look for light in the eyes of a stranger While some love the thrill of the edges of danger But I have found joy in a world filled with anger Cause I finally understand CHORUS You are lord of life, love and other mysteries You know my future, you know my history I find in you all I ever need to know About life and love and other mysteries VERSE 3 I cannot reason with man in defiance Or try to explain all the mysteries of science Cause I'm just a child in the face of these giants But I never face them alone VERSE 4 Cause when it seems that my heart is surrounded When all of our questions of life have been sounded I rest in the hope where my faith has been grounded I do not fear the unknown CHORUS You are lord of life, love and other mysteries You know my future, you know my history I find in you all I ever need to know About life and love and other mysteries BRIDGE Your wisdom confounds the wisest of wise Your mercy is truth in a world full of lies Your grace saves us all from a certain demise CHORUS 2 TIMES You are lord of life, you're lord of love (and other mysteries) You are lord of life, you're lord of love

(other mysteries)
