

Pola Rise, OhOH

we cannot conceal
we're living like a monster
once we were the wind
dancing with the flame

no we cannot find the reason to shine brighter
reason to turn back

too many times
we decided to be silent
too many times
we ...

we're gonna find our flame by the Sunset
we have to find them

nothing could stop us
nothing could stop
nothing could stop us
nothing could stop us but
time

once we look for flames
beneath a sheer of water
once we try to speak
we ... and wasted

we cannot conceal
we've given up our dreams
we've given up of being free

too many times
we decided to be silent
too many times
we ...

we're gonna find our flame by the sunset
we have to find them

nothing could stop us
nothing could stop
nothing could stop us
nothing could stop us but
time
