Polo G, Lil Wayne, GANG GANG

So used to tchem grey clouds I might fuck around Drop the top in the rain For the squad We don't play around We'll lay 'em down Hit his top close range

He just pretend He not with the gang Member back then That's an opp What he baneged Runnin' form jakes Block hot like i am wayne Spend a quarter mill' on the watch And the chain

I am just tryna put a lock on the game Hot shit from this glock when ut flames Yeah /3x!
