

# PORNO FOR PYROS, Turn Around

How you figure in the scheme of things to be?  
You thought you were Jesus, but you find out you're the anti-christ  
You were born so you get another chance  
A chance to die and to get off this planet  
You're in the thick of it all...  
You're in the thick of it all...  
You strugglehope you laugh!  
You thought you'd never know  
You feeland that's the only thing you can depend on  
I'll try praying if it'll move my friends  
The dead are living in your blood, with a little poison  
You're in the thick of it all...  
You're in the thick of it all...  
You're in the thick of it all...  
You're in the thick of it all...  
I fell again, still I'm so excited  
Anyway don't you love surprises!  
You get to keep your heart and that I know  
I give mine time and it comes back to me  
We're in the thick of it all...  
We're in the thick of it all...  
We're in the thick of it all...  
We're in the thick of it all.
