

Porter Wagoner, I Can't Live With You (I Can't Live

I can't live with you and I can't live without you what in the world am I to do
When we're together it's a fight to the finish when we're apart I'm sad and blue
I wish I could make up my mind what there is left of it
If I hate to be with you my darling if I'd love it
Cause I can't live with you and I can't live without you what in the world am I to do
[guitar - steel - piano]
I can't live with you and I can't live without you it may seem silly but it's true
Sometimes I trust you then again I doubt you what is the reason wish I knew
I wish I could make up my mind...
I wish I could make up my mind...
