

# Post Malone, Lonely (ft. Jaden Smith & Téo)

I just...  
Can I...  
I just...  
I just, Can I...  
I just...  
Can I...  
I just, I just  
Can I, I just  
I just want to see you (Damn)  
Something I can see through baby (Man)  
You make my dreams come true  
Can I...  
Can I (Aw Yeah), I just

I just  
Baby can I come and see you  
I just, I just  
Girl you seem always on the move  
Baby  
I just cannot, uh, figure out what to do  
And I just, I just, uh, cannot let you go on your own  
Eh, why you got to be so inconsiderate wit' it  
Know that you mean more than any one of these bitches  
Its like you wanna see me go and hop off some bridges  
Emo pussy woulda' gone and cut up ones wrists  
Instead I'm going to drop a hundred bands on a whip  
Only way I know to get my brain off of shit, eh  
I just want to see you, maybe talk about shit  
I just want to see ya, you might feel for the kid  
It's you that I have been searchin' for  
Just let me know what's good with y'all  
Can't keep on going back and forth  
Won't let you, won't let you

I just...  
I just...  
I just want to see you (Damn)  
Something I can see through baby (Man)  
You're making my dreams come true (Oh Yeah, Oh Yeah)  
Can I...  
Can I...  
Cause I just want to see you (Hey)  
Something I can see through baby  
You make my dreams come true (Oh Yeah, Oh Yeah)

I just, can I  
I just...  
I just...  
Can I come and see you  
I just, something I can see through baby, I just  
Make my dreams come true (Oh Yeah, Oh Yeah)  
You're walking alone, you're walking alone  
I hate when you walk, at least talk on the phone  
There's some creeps in this zone, you said joker shut up I should know how to walk  
I come from the bronx, I said baby its cool you know I like your talk  
We keepin' it cool, we keepin it, keep it

I just...  
I just, I just want to see you (Damn)  
Something I can see through baby (Man)  
You're making my dreams come true (Oh Yeah, Oh Yeah)  
Can I...  
Can I...  
Cause I just want to see you (Hey)

Something I can see through baby  
You make my dreams come true (Oh Yeah, Oh Yeah)

Imma' never be alone  
Imma' never be alone  
When you're walkin' down the road
