## Prefab Sprout, Anne Marie

There's a person that I'd like to be, Anne Marie I can glimpse him when you're next to me, Anne Marie There is music that no-one can hear, Anne Marie Yet it's audible when you are near

Anne Marie, Anne Marie, what am I to do? You are married to someone else yet Every waking hour I think of you Oh listen to me Anne Marie

Anne Marie, Anne Marie, nothing much is new I've a history of wanting what I cannot have This time it is you Don't listen to me Anne Marie

Anne Marie, there's a person that I'd like to be, Anne Marie I can glimpse him when you're next to me, Anne Marie There is music that no-one can hear, Anne Marie Yet it's audible when you are near

Oh Anne Marie, this world's an unfamiliar place I see When you're with me, when you're with me I hear Strange music in undiscovered keys When you're with me, when you're with me

Anne Marie, Anne Marie, it's time to walk away I have never been noble but then maybe being noble feels this way, when you're next to me Anne Marie

Anne Marie, and though it's time I can't believe That I'm saying goodbye Anne Marie - why ?
