

PRIME, Dreams (ft. WAVE & PAULINA WITON)

Wave it up
Just wave your hands now
Raise it up
Raise it up on.. now
Every day is a day I fall
I'm about to take it all

Starting form the bottom
I .. to ten top
Get down
Step ..
I kill everybody in rap game
You wanna pull my leg

..
Coz I win the game
No mercy
Got money
My money got me go crazy

Gad damn
I'm porn star
I'm a big boy
I'm hustler
I'm a showman
I'm grow man
Polen is my life style
I am beating your ass
Cuz I'm already get them

Wave it up
Just wave your hands now
Raise it up
Raise it up on.. now
Every day is a day I fall
I'm about to take it all

Every day I'm bowling
I'm going hell like a con man
I'm dirt
Like, Oh my god!
My money
I'm toasting
I brought it up
Smoke it out
I do it, do it, do it
Like an OG
Every day I'm bowling
I'm going hell like a con man
I'm dirt
Like, Oh my god!
My money
I'm toasting
I go through the dreams
I'm like Empire State Building
My sky has no limit
I'm on milk milk milky way
