

PRIME & ILLEGANCE, Run This City

We run this city
And this is how we do it
We make a party to it (do it x4)
We run this city
cause this is where we're raised
Inside, outside, east side, west side

Im representing my city wwa on my beanie
I'm turned up like black jack my life movie Fellini
We got night we got ride we ride around in the center
we know the clubs we know the pubs we know all the places
Lets hit the club lets drink drink
get this bitches ding ding
The cave is on fire
its hot like a heat sink
She's horny she want some
stare like I'm UFO
I say come to me baby she grind on my Bonzo
bottle on the floor leggo and drink some more
we wanna have some fun and done we wanna loose control
We roll it up we roll it up and then we get it blow
its so dope dope man just like slow mo

We run this city
And this is how we do it
We make a party to it (do it x4)
We run this city
cause this is where we're raised
Inside, outside, east side, west side

808 is my heartbeat
I jump like mutherfucking rabbit
and every minute its getting better already ima getting little naughty
dirty mind I got dirty mind and all my eyes do is strip down
I can't help this feeling I'm so close to freak out
Act like a last king
Spend money like ching! ching!
The night is not over we go for the big things
On my shit I'm on my shit
My city loud like a london street
My city proud like a lion king now (get it x3)
I run my city though and this is where I ball
My city making me party just like an animal
I roll it up I roll it up an then I get it blow
It's so dope dope man just like slow mo

We run this city
And this is how we do it
We make a party to it (do it x4)
We run this city
cause this is where we're raised
Inside, outside, east side, west side

I love it I love it I know I can't live without it
My city making me living just every night when I'm out and
got this feeling inside me
I got my homies around me
I gotta bitches to fuck
But never fuck for a money

We run this city
And this is how we do it
We make a party to it (do it x4)
We run this city

cause this is where we're raised
Inside, outside, east side, west side
