

# Prince, Wherever U Go, Whatever U Do

Oh-ooh

Wherever U go, whatever U do  
Oh please, remember that I'll always be there 4 U  
U don't have 2 call, U don't have 2 say  
Just think about me and I'll be on my way  
I don't have 2 worry, I'm sure U'll be fine  
Cuz if U stay happy, then what's your's is mine  
Wherever U go, whatever U do  
Remember that I'll always be there 4 U  
(Oh Baby)

Wherever U R, think of your dreams  
Oh please, remember life ain't always what it seems  
4 each rainy day (rainy day)  
That comes your way  
The sun will come shining and U'll be okay  
Keep on smiling - every girl and boy  
Remember when U were children U had toys  
Wherever U R, think of your dreams  
Remember that dreams become the life U lead

Whatever U play, it's okay 2 lose  
Ooh sometimes (sometimes...)  
As long as U learn from every game U choose  
If one thing is sure, U'll always endure  
If U try your best at everything U do  
Say what U mean and mean what U say  
The price 4 a broken heart - it's 2 much 2 pay  
And nothing is worth it, if U don't have 2 try  
The higher the stakes - the higher the sky

Wherever U go, whatever U do  
Please remember  
Remember that I'll always be there 4 U
