

Profyle, Damn

[Talking]

Damn...

Whoo!

Profyle...Hmm, kick this straight

Come on

[Verse 1]

I love the way you walk (walk)

Wanna hear you talk

Something 'bout your thighs

Made a nigga rise

The way you wear you hair (hair)

Ain't a woman here that compares

I'm feelin' what you do

So let me do it with you

[Verse 1]

Make a nigga say damn...(Damn, damn, damn, ooh)

Make a nigga say oh damn, Goddamn, hot damn [x2]

[Verse 2]

Jump into my six

I'ma drop these chips

Let's get up on this room

You're about to meet your doom

Now, when you raise up out this bed

You might find yourself kinda bow-legged

Now don't get mad at me...

'Cause I'm penetratin' rather deeply

[Hook]

By the time that we are through

Screamin' the words girl, "Ooh, Ooh, Ooh"

Oh damn...oh oh damn

By the time that we are through

Screamin' the words girl, "Ooh, Ooh, Ooh"

Oh damn, oh damn

[Verse 3]

Now that we are through

Gotta a question for you

Tell me was it good?

Was it "Mmm-mmm good" to you?

Lying there in the bare

Girl you need to beware

I'll hop back in that bed

And from the back I pull your hair

[Repeat hook till end]
