

Protoje, Weed & Tings (feat. Zion I Kings)

Ain't nothing but I
Me and my queen again
Wheeling in
I'm back on the grind
Hop out of the streets again
Yah, yah, yah, yah

Ain't nothing but I
Just me and my weed an' ting
Wheeling in on time
I'm back on the grind
Man hop out of the streets again
And you feeling him, oh my

Not a thing on my mind
It's just me and my queen again
Wheeling in on time
Put it all on the line just to get back this feeling
This feeling
