

Puddle Of Mudd, Bottom

Lift your head up from the clouds
I know that you're shaking
Breaking down
How could you leave me
Garbage can
Never want to be your understand
Help me
Help me
Help me
Help me

Lord can you help me get this weight off my shoulders
Can you help me I think I'm getting older
The pain that you left me deep within
How can I live living in sin

And you know that I've tried
And you know
Lord knows I've tried every day of my life
Sitting at the bottom, sitting at the bottom with you
Sitting at the bottom with you
I'm just sitting at the bottom with you
I'm just sitting at the bottom, sitting at the bottom

How many times I gotta say
That you're never ever gonna get your way
Down in the gutter as I decay
Where you gonna leave me
Let me be
Help me
Help me
Help me
Help me understand

And you know that I've tried
Don't you know
Lord knows I've tried every day of my life
Sitting at the bottom, I'm sitting at the bottom with you
I'm just sitting at the bottom with you
Now I'm sitting at the bottom with you
I'm just sitting at the bottom, sitting at the bottom with you

[x2]
Sticks and stones may break my bones
But words will never hurt me

[x2]
Sticks and stones breaking my bones
No your words aren't never gonna hurt me

And you know that I've tried
And you know
Lord knows I've tried every day of my life
Sitting at the bottom, sitting at the bottom with you
I'm just sitting at the bottom with you
Now i'm sitting at the bottom with you
I'm just sitting at the bottom with you
I'm just sitting at the bottom with you
