

# Puff Daddy, Finna Get Loose (feat. Pharrell Williams)

A nigga finna get loose /4x

Where you from, where that at  
Where you heading, what is that  
What you doing, feeling that  
Get that fucking cake up, open your mind  
Keep your distance unless you wanna get with this  
Me and the renegade, black grenade, blowin' up mines, diamond's blue  
Chop it like sumo  
Nigga hungry like Cujo  
Smoking that Pluto  
No ticking time like hand on the rope  
Nigga feel beautiful  
No park brake but a nigga in neutral

You wanna roll some grass, go and do that  
You ain't tryna pass, don't do that  
You gotta drink the mask, don't do that  
Finna act as ass, go and do that  
Say what now

A nigga finna get loose /4x

Get back down, get on up, get on up  
This is what, truth feels like, so uncut  
I'm in love on that cline, me rockin' Moncler  
White chick, long hair, but with a black man yeah  
I shine like this, luminescent spit  
Get bright right quick  
This as good as it get, two top floors of the motherfuckin' Ritz  
I only like hits, since P.E. see a nigga never miss  
You see this black fist  
A nigga come number one like the old Limp Biz

You wanna roll some grass, go and do that  
You ain't tryna pass, don't do that  
You gotta drink the mask, don't do that  
Finna act as ass, go and do that  
Say what now

A nigga finna get loose /4x

Ain't no more to it  
We out, remember me now?  
Let's dance  
Yeah, yeah  
I see you dance, all the dances you know what to do  
I made this part for you and you and you and you and you and you, you, you, you!  
Bad boy
