

Queen, C-lebrity

Oh Yeah
Aint got no hope
Got no idea
What to do or why Im here
Wanna get my face
On your TV
I wanna be heard
I want to be seen
Aint got nothin, no, nothin
Nothing to show
Make me a celebrity
I want to be
a face on tv (I wanna be on your screen)
Then you can see
Im a C-lebrity
Wanna get my features in magazines
See this creature on every street on every screen
Write my life story before Im 21
I gotta tell the world
They may say Im dumb
But I..
Aint got nothin,no, nothin
Nothing to show
Make me a celebrity
I want to be
a face on TV (I wanna be on your screen)
Then you can see
Im a C-lebrity
I wanna be a star
In a Broadway musical
Are ya gonna love me
Though I cant sing or dance at all
Everybody say, Im lackadaisical
And if I was real good Id stand no chance at all
I want to be
a face on TV (I wanna be on your screen)
Then you can see
Im a C-lebrity
Then you can say
You knew me one day
Then you will see
Im a C-lebrity
C-C-elebrity
C-C-C-lebrity
C-C-lebrity
(Make my dream Come true)
C-C-lebrity
I wanna be heard
I want to be seen on every TV screen
