

# Queen, Calling You

Calling You (George Michael and Queen)

A desert road from Vegas to nowhere  
Someplace better than where you've been  
A coffee machine that needs some fixin'  
In a little cafe just around the bend

Chorus:

I am calling you  
Can't you hear me?  
I am calling you

A hot dry wind blows right through me  
The baby's crying and I can't sleep  
But we both know that a change is coming  
Come on closer, sweet release

Chorus

Desert road from Vegas to nowhere
