

Queen, Coming Soon

Ooooooooooooo x n

Oh Oh Oh x n

I get some headaches when I hit the heights

Like in the morning after crazy nights

Like some month in law in her nylon tights

They're always

They're always

They're always

They're always

Coming soon,

Coming soon, on the outside, of the tracks,

You take 'em

The same old babies with the same old toys,

The neighbours screaming when the noise annoys,

Somebody naggin' you when you're out with the boys

They're always

They're always

They're always

They're always

Coming soon,

Coming soon, on the outside, of the track

Yeah, Yeah, Yeah.

Watch me now,

They're always

They're always

They're always

They're always

Coming soon,

Coming soon, on the outside, of the track

Yeah, Yeah, Yeah.
