

# Queen, Dead in time

Fool

always jumping never happy where you land  
Fool got no business take your living where you can hey  
Hurry down the highway  
Hurry down the road  
Hurry passing people staring  
Hurry hurry hurry hurry  
Leave on time, leave on time  
Never got your ticket but you leave on time  
Leave on time, leave on time  
Gonna get your ticket but you leave on time  
Leave on time, leave on time  
Put it in your pocket but you never can tell  
Leave on time, leave on time  
Shake that rattle gotta leave on time  
Leave on time, leave on time  
Fight your battle but you leave on time  
Leave on time, leave on time  
You never got a minute  
No you never got a minute  
No you never know  
Oh no matter  
Fool got no business hanging round and tellin' lies  
Fool you got no reason but you got no compromise hey  
Stamping on the ceiling  
Hammering on the walls  
Gotta get out gotta get out gotta get  
Oh you know I'm going crazy  
Leave on time, leave on time  
Gotta get ahead but you leave on time  
Leave on time, leave on time  
Gotta head on ahead gotta leave on time  
Leave on time, leave on time  
You're running in the red but you never can tell  
Leave on time, leave on time  
Gotta get rich gotta leave on time  
Leave on time, leave on time  
But you can't take it with you  
When you leave on time  
Leave on time, leave on time  
Gotta KEEP YOURSELF ALIVE but you leave on time  
But you leave on time leave on time  
Dead on time  
You're dead
