

# Queen, Dont Loose Your Head

Yesterday my life was in ruins  
Now today I know what I'm doing  
Got a feeling I should be doing all right  
Doing all right  
Where will I be this time tomorrow?  
Jump for joy and sinking in sorrow  
Anyway I should be doing all right  
Doing all right  
Sitting waiting for the sign  
Looking round for the words to say  
Should be waiting for the skies to clear  
If there were time in all the world  
Sitting waiting for the sign  
Anyway I got to hide away  
Hide away  
Yesterday my life was in ruins  
Now today I know what I'm doing  
Got a feeling I should be doing all right  
Doing all right  
Doing all right
