

Queen, Drowse (Ending)

(Taylor)

Think I'll have my eggs poached for breakfast again I'd like to be Clint Eastwood
Jimi Hendrix, he was great let's try William The Conqueror Now who else do I like?

What most of the QMS agrees on for the spoken end of the song "Drowse" on the _A D album:

Have my eggs poached for breakfast I guess

Nothing wrong with [I think I'll be] Clint Eastwood.. Jimi Hendrix, he was good.
[don't know]
Now who else do I like?
[something very very very faint].
