

# Queen, Friends Will Be Friends (12" Extended Version)

Another red letter day  
So the pound has dropped and the children are creating  
The other half ran away  
Taking all the cash and leaving you with the lumber  
Got a pain in the chest  
Doctor's on strike  
What you need is a rest

It's not easy love, but you've got friends you can trust  
Friends will be friends  
When you're in need of love they give you care and attention  
Friends will be friends  
When you're through with life and all hope is lost  
Hold out your hands, 'cuz friends will be friends right til the end

Now it's a beautiful day  
The postman delivered a letter from your lover  
Only a phone call away  
You tried to track him down but somebody stole his number  
As a matter of fact  
You're getting used to life without him in your way

It's so easy love, 'cuz you got friends you can trust  
Friends will be friends  
When you're in need of love they give you care and attention  
Friends will be friends  
When you're through with life and all hope is lost  
Hold out your hands, 'cuz friends will be friends right til the end

It's so easy now, 'cuz you got friends you can trust  
Friends will be friends  
When you're in need of love they give you care and attention  
Friends will be friends  
When you're through with life and all hope is lost  
Hold out your hands  
Friends will be friends  
Right to the end  
Friend will be friends  
When you're in need of love they give you care and attention  
Friends will be friends  
When you're through with life and all hope is lost  
Hold out your hand, 'cuz right til the end  
Friends will be friends, yeah
