

Queen, How Can I Go

(Freddie)

When all the salt is taken from the sea
I stand dethroned
I'm naked and i plea
The way your finger points so solidly
Is anybody there to believe in me
To hear my plea
And take care of me

(chorus)

How can i go on
From day to day
Who can make me strong
In every way
Where can i be safe
Where can i belong
In this great big world
Of sadness
How can i forget
Those beautiful dreams that we shared
They're lost and they're nowhere to be found
How can i go on

(Montserrat)

Sometimes i start to crawl
But in my eyes
I cannot see
When people fly by me
I hide myself down near the ground
Is anybody there
To look for me

(Freddie)

La-da-da-da precious love
hear my plea-yeah!

(chorus)

How can i go on
From day to day
Who can make me strong
In every way
Where can i be safe
Where can i belong
In this great big world
Of sadness
How can i forget
Those beautiful dreams that we shared
