Queen, It's A Hard Life (12" Extended Version)

I don't want my freedom There's no reason for living with a broken heart

This is a tricky situation I've only got myself to blame It's just a simple fact of life It can happen to anyone

You win - you lose It's a chance you have to take with love Oh yeah - I fell in love And now you say it's over and I'm falling apart

It's a hard life
To be true lovers together
To love and live forever in each others hearts
It's a long hard fight
To learn to care for each other
To trust in one another right from the start
When you're in love

I try and mend the broken pieces I try to fight back the tears They say it's just a state of mind But it happens to everyone

How it hurts - deep inside When your love has cut you down to size Life is tough - on your own Now I'm waiting for something to fall from the skies And I'm waiting for love

Yes it's a hard life
Two lovers together
To love and live forever in each others hearts
It's a long hard fight
To learn to care for each other
To trust in one another - right from the start
When you're in love

Yes it's a hard life
In a world that's filled with sorrow
There are people searching for love in ev'ry way
It's a long hard fight
But I'll always live for tomorrow
I'll look back on myself and say I did it for love
Yes I did it for love - for love - oh I did it for love
