

# Queen, Leaving Home Ain't Easy

(May)

I take a step outside  
And I breathe the air  
And I slam the door  
And I'm on my way  
I won't lay no blame  
I won't call you names  
'Cause I've made my break  
And I won't look back  
I've turned my back  
On those endless games

I'm all through with ties  
I'm all tired of tears  
I'm a happy man  
Don't it look that way?  
Shaking dust from my shoes  
There's a road ahead  
And there's no way back home  
Ohh but I have  
Leaving home ain't easy  
Oh I never thought it would be easy  
Leaving on your own  
Oh is the main thing calling me back?  
Leaving home ain't easy  
On the one your leaving home

Stay my love my love please stay  
Stray my love what's wrong my love?  
What's right my love?  
Ohh leaving home ain't easy  
I thought how could I think of leaving  
Leaving on your own  
Still trying to persuade me that  
Leaving home ain't necessary  
Leave the only way  
Leaving home ain't easy  
But may be the only way
