

# Queen, Let Me Live

(Queen)

Why don't you take another little piece of my heart  
Why don't you take it and break it  
And tear it all apart  
All I do is give  
All you do is take  
Baby why don't you give me  
A brand new start

So let me live (so let me live)  
Let me live (leave me alone)  
Let me live, oh baby  
And make a brand new start

Why don't you take another little piece of my soul  
Why don't you shape it and shake it  
'til you're really in control  
All you do is take  
And all I do is give  
All that I'm asking  
Is a chance to live

(So let me live) - so let me live  
(Leave me alone) - let me live, let me live  
Why don't you let me make a brand new start

And it's a long hard struggle  
But you can always depend on me  
And if you're ever in trouble - hey  
You know where I will be

Why don't you take another little piece of my life  
Why don't you twist it, and turn it  
And cut it like a knife  
All you do is live  
All I do is die  
Why can't we just be friends  
Stop live in a lie

So let me live (so let me live)  
Let me live (leave me alone)  
Please let me live  
(Why don't you live a little)  
Oh yeah baby  
(Why don't you give a little love...?)

Let me live  
Please let me live  
Oh yeah baby, let me live  
And make a brand new start

Take a little piece of my heart now baby  
Take a little piece of my heart now baby  
Take a little piece of my soul now baby  
Take a little piece of my life now baby  
In your heart, oh baby  
(Take another piece, take another piece)  
Please let me live  
(Take another piece, take another piece)  
Why don't you take another piece  
Take another little piece of my heart  
Oh yeah baby  
Make a brand new start

All you do is take  
Let me live
