

# Queen, No one but you (only the god die young)

A hand above the water  
An angel reaching for the sky  
Is it raining in heaven -  
Do you want us to cry?  
And everywhere the broken-hearted  
On every lonely avenue  
No-one could reach them  
No-one but you  
One by one  
Only the Good die young  
They're only flying too close to the sun  
And life goes on -  
Without you...  
Another Tricky Situation  
A get to drown' in the Blues  
And I find myself thinkin'  
Well - what would you do?  
Yes! - it was such an operation  
Forever paying every due  
Hell, you made a sensation  
You found a way through - and  
One by one  
Only the Good die young  
They're only flyin' too close to the sun  
We'll remember -  
Forever...  
And now the party must be over  
I guess we'll never understand  
The sense of your leaving  
Was it the way it was planned?  
And so we grace another table  
And raise our glasses one more time  
There's a face at the window  
And I ain't never, never sayin' goodbye...  
One by one  
Only the Good die young  
They're only flyin' too close to the sun  
Cryin' for nothing  
Cryin' for no-one  
No-one but you
