Queen, Now I'm Here

(May)

Here I stand Look around around around But you won't see me

Now I'm here, Now I'm there, I'm just a...

Just a new man Yes you made me live again

A baby I was when you took my hand And the light of the night burned bright And the people all stared didn't understand But you knew my name on sight

Whatever came of you and me America's new bride to be - don't worry baby I'm safe and sound

Down in the dungeon just Peaches 'n' me Don't I love her so

A thin moon me in a smoke-screen sky Where the beams of your lovelight chase Don't move, don't speak, don't feel no pain With a rain running down my face

Your matches still light up the sky And many a tear lives on in my eye

Down in the city just Hoople 'n' me Don't I love him so

Whatever comes of you and me I love to leave my memory with you

Now I'm here Think I'll stay around around around We'll be down in the city justa you 'n' me Don't I love you so
