

Queen, She Blows Hot and Cold

You're so beautiful you just lay it on me
Foxy lady you really are the greatest show in town
You want to play
You wanna eat your cake and have it your way
You got it easy and you don't give a damn
Foolin' around you just keep foolin' around with me
Walking down the street people watching closely
Such a tease you can turn on any man you want
You masquerade
You're the catch of the season every night and day
You you you don't have any time for me
You just keep foolin' around with me
Fooling around - everywhere I go you're the only only only sexy lady
Fooling around all you do is keep me hanging around
You're really so hard to please
You've gotta really watch that baby!
You just you just fooling around with me
You just you just fooling around with me
You keep fooling you keep fooling
Fooling...
Want to play but you always want it all your own way
You got it easy but you don't give a damn
Fooling around you just keep fooling around with me
Just keep fooling around with me yeah
I'm a fool fool fool fool for you baby keep fooling around
I'm a fool fool fool for you sexy babe keep fooling around
