Queen, She Blows Hot and Cold

You're so beautiful you just lay it on me

Foxy lady you really are the greatest show in town

You want to play

You wanna eat your cake and have it your way

You got it easy and you don't give a damn

Foolin' around you just keep foolin' around with me

Walking down the street people watching closely

Such a tease you can turn on any man you want

You masquerade

You're the catch of the season every night and day

You you you don't have any time for me

You just keep foolin' around with me

Fooling around - everywhere I go you're the only only sexy lady

Fooling around all you do is keep me hanging around

You're really so hard to please

You've gotta really watch that baby!

You just you just fooling around with me

You just you just fooling around with me

You keep fooling you keep fooling

Fooling...

Want to play but you always want it all your own way

You got it easy but you don't give a damn

Fooling around you just keep fooling around with me

Just keep fooling around with me yeah

I'm a fool fool fool for you baby keep fooling around

I'm a fool fool for you sexy babe keep fooling around
