

# Queen, The Night Comes Down

(May)

When I was young it came to me  
And I could see the sun breakin'  
Lucy was high and so was I dazzling  
Holding the world inside  
Once I believed in everyone  
Everyone and anyone can see

Oh oh the night comes down  
And I get afraid of losing my way  
Oh oh the night comes down  
Oooh and it's dark again

Once I could laugh with everyone  
Once I could see the good to me

Holding the world inside  
Now all the world is grey to me  
Nobody can see you gotta believe it

Oh oh the night comes down  
And I get afraid of losing my way  
Oh oh the night comes down  
Oooh and it's dark again  
And it's dark again  
And it's dark again
