## Queen, The Night Comes Down

(May)

When I was young it came to me And I could see the sun breakin' Lucy was high and so was I dazzling Holding the world inside Once I believed in everyone Everyone and anyone can see

Oh oh the night comes down And I get afraid of losing my way Oh oh the night comes down Oooh and it's dark again

Once I could laugh with everyone Once I could see the good to me

Holding the world inside Now all the world is grey to me Nobody can see you gotta believe it

Oh oh the night comes down And I get afraid of losing my way Oh oh the night comes down Oooh and it's dark again And it's dark again And it's dark again
