Queen, These Are The Days Of Our Lives

Sometimes I get to feeling I was back in the old days - long ago When we were kids, when we were young Things seemed so perfect - you know? The days were endless, we were crazy, we were young The sun was always shinin - we just lived for fun Sometimes it seems like lately - I just don't know The rest of my life's been - just a show

Those were the days of our lives
The bad things in life were so few
Those days are all gone now but one thing is true
When I look and I find I still love you

You can't turn back the clock, you can't turn back the tide - ain't that a shame? I'd like to go back one time on a roller coaster ride When life was just a game No use and sitting and thinking on what you did When you can lay back and enjoy it through your kids Sometimes it seems like lately I just don't know Better sit back and go - with the flow

Cause these are the days of our lives They've flown in the swiftness of time These days are all gone now but some things remain When I look and I find - no change

Those were the days of our lives yeah
The bad things in life were so few
Those days are all gone now but one thing's still true
When I look and I findI still love you, I still love you
