

Queen, Two Sharp Pencils

I'm on top of the world ma
On top of the world
You know I got me a girl ma
She makes my kiss curl curl
She got some kind on witch craft
And its a workin' on me
What you get ma is what you see
She's a voodoo child when she weaves her spell
Gonna send me dancing to the gates of Hell
Is this the end of the world ma
Is this the end of the world
I think I'm losing control ma
You know my head's in a whirl
She's got her own kind of voodoo
And it's a workin' on me
When we get gymnastic ooeee
Well she can make me rock she can make me roll
She makes me mad bad and dangerous to know
She's a voodoo child she's a living doll
She can crack the sky watch the angels fall
I'm on top of the world ma
I'm on top of the world
I'm on top of the world ma
On top of the world
On top of the world
I'm on top of the world
On top of the world ma
I'm on top of the world
I'm on top of the world
On top of the world ma
I know you honey I'm on top of the world
Dog with a Bone
Hey, you say you won't you can't give me any more love
You say you will you can forgive me but I doubt it
You make me high when I talk on the phone
You know I gotta ring up your number when I know you ain't home
Coz you gotta hold on me baby like a dog with a bone
