

# Queen, You Take My Breath Away

(Mercury)

Look into my eyes and you'll see  
I'm the only one  
You've captured my love  
Stolen my heart  
Changed my life  
Every time you make a move  
You destroy my mind  
And the way you touch  
I lose control and shiver deep inside  
You take my breath away

You can reduce me to tears  
With a single sigh  
Every breath that you take -  
Any sound that you make  
Is a whisper in my ear  
I could give up all my life for just one kiss  
I would surely die  
If you dismiss me from your love  
You take my breath away

So please don't go  
Don't leave me here all by myself  
I get ever so lonely from time to time  
I will find you  
Anywhere you go, I'll be right behind you  
Right until the ends of the earth  
I'll get no sleep till I find you to tell you  
That you just take my breath  
away

I will find you...etc  
I'll get no sleep til I find you to  
tell you when I've found you -  
I love you
