

# R.I.O., ONE IN A MILLION (FEAT. U-JEAN)

There are one in a million chances but I found you, you  
I got lost within my senses till I found you, you  
Together we are one, we are  
Forever we are one, we are  
There are one in a million, one in a million  
One in a million chances  
But I finally found you

What we gonna do, gon' rock with you  
Gonna bring it back alive

There are one in a million chances but I found you, you  
I got lost within my senses till I found you, you  
Together we are one, we are  
Forever we are one, we are

Now there are one in a million chances but I found you, I found  
Together we are one, we are  
Forever we are one, we are  
There are one in a million, one in a million  
One in a million chances  
But I finally found you  
But I finally found you...

What we gonna do, gon' rock with you  
Gonna bring it back alive
