

R. Kelly, Definition Of A Hotti

Take away the sensation inside,
Bittersweet migraine in my head,
It's like a throbbing toothache,
Of the mind,
I can't take this feeling anymore

Drain the pressure from the swelling,
The sensations overwhelming,
Give me a long kiss goodnight,
And everything'll be alright,
Tell me that I won't feel a thing

so give me novacaine

Out of body and out of mind,
Kiss the demons out of my dreams,
I get the funny feeling and that's alright,
Jimmy says it's better than here

Drain the pressure from the swelling,
The sensations overwhelming,
Give me a long kiss goodnight,
And everything'll be alright,
Tell me that I won't feel a thing

so give me novacaine
