

# R. Kelly, Definition Of A Hotti

Take away the sensation inside,  
Bittersweet migraine in my head,  
It's like a throbbing toothache,  
Of the mind,  
I can't take this feeling anymore

Drain the pressure from the swelling,  
The sensations overwhelming,  
Give me a long kiss goodnight,  
And everything'll be alright,  
Tell me that I won't feel a thing

so give me novacaine

Out of body and out of mind,  
Kiss the demons out of my dreams,  
I get the funny feeling and that's alright,  
Jimmy says it's better than here

Drain the pressure from the swelling,  
The sensations overwhelming,  
Give me a long kiss goodnight,  
And everything'll be alright,  
Tell me that I won't feel a thing

so give me novacaine
