

# R. Kelly, Only The Loot Can Make You Happy

Uh rockland in my life  
Uh huh track masters you're all I need in my life make money  
Uh duece duece you're all I need in my life  
Uh huh yo yo yo yo  
I remember in the days

Y'all niggas talkin' all that s about keepin' it real  
But when it comes to this game i'mma play the field  
Rockland had loot before we signed the deal  
Haters get in the way and catch the sky like seal  
We used to use the streets for the football field  
In church free lunch was our only meal  
But now we push whips with lorenzo wheels  
Living it up in beverly hills

You know 9 to 5 was only temporary  
Now the ladies wanna find tone in a hurry  
Got 'em hittin' notes that mariah couldn't carry  
All you player haters going down like mary  
Cop the rolls royce a player with a choice  
Ladies stay moist from the sound of my voice  
The lady killers pass the keys to our villas  
Rockland track masters top billers

Only the loot can make me happy nuttin' but the loot baby  
Happy show me the loot baby  
Happy show me the loot  
Only the loot can make me happy nuttin' but the loot baby  
Happy show me the loot baby  
So happy show me the loot

I never thought that i  
Could make someone like you  
I felt energized  
When you went through my groove

I'll never let you go no  
You're so right for me  
I've got to let you know  
Forever you and me the balla's anthem right here
