

# Radical Noise, Nothing Personal

He says that I dream of a world that doesn't exist,  
There are facts of life we must be convinced to live with...  
She says that the things I wanna do are not grounded on reality.  
All I can do is to listen to them and back to my infinity...

You can't see me cause I'm not here  
You can't touch me cause I don't feel you  
You can't reach me cause I can't be you  
You can't hear me cause I'm done with it, I'm too tired to live with it!  
Can u be yourself?  
Your way of life is too pathetic.  
Be yourself, can u

All I ever wated was to rest in peace in my own world.  
All I ever needed was some time to reach my own goals...  
Don't expect you to understand just let it all go away.  
Years are passing by and we're still laying down on the same page...

Can u be yourself?
