Don't tell me what to do,  
Don't tell me who to love.  
Don't tell me where to go,  
It's only you I'm thinking of.  
Don't give me all your lies,  
Don't give me all your doubt,  
Don't give me indecision,  
Cause it's you I'm all about.  
I wanna to tell you now,  
I wanna tell you loud,  
I wanna show you how,  
I wanna make you proud.
