Radiohead, Punchdrunk Lovesick Singalong

I wrapped you inside my coat When they came to firebomb the house I didn't feel pain, 'cause no-one can touch me Now that I'm held in your spell

A beautiful girl A beautiful girl Can turn your world into dust

Sell me a car that goes Sell me a house that stands I never cared before, I never cared before I never cared before, before, before

A beautiful girl A beautiful girl Can turn your world into dust

A beautiful girl A beautiful girl Can turn your world into dust

I stood in front of her face When the first bullet was shot
