

# Radiohead, Someone Else

I want to, I want to be someone else or I'll explode  
Floating upon the surface for  
The birds, the birds, the birds  
You want me, well fucking well come and find me  
I'll be waiting with a gun and a pack of sandwiches  
And nothing, nothing, nothing, nothing  
You want me, well, come on and break the door down  
You want me, fucking come on and break the door down  
I'm ready,  
I'm ready,  
I'm ready,  
I'm ready  
I'm ready
