

# Rafo Ruez, El Hombre Que Quer

Yo entregu mi juventud al Per  
y el Per me hizo viejo  
ya que, hubiera estado en Timbuct  
ahora sera un pellejo

Yo entregu mi juventud al Per  
y el Per me la hizo larga  
me he divertido menos que t tal vez  
pero yo tena una carga

Que no quera dejar  
sino hacer, cultivar  
porque yo crea ser  
rbol en algn lugar

En mi lugar, de mi lugar  
rbol, ser un rbol  
&lt;/lyrics&gt;

==Translation==

&lt;/lyrics&gt;

I gave my whole youth to Peru  
and Peru made me an old man  
Were I been in Timbuctu  
Now I'd be a piece of skin

I gave my whole youth to Peru  
and Peru made me wait  
maybe I've had less fun than you  
but I had a load to bear

Which I didn't want to drop  
but to make, to cultivate  
because I thought I was  
a tree somewhere

At my place, there

A tree, I will be a tree
