

Rage, Wasteland

Though it's nothing new: we still rob our planet
It's the daily truth, we interfere with everything
Annihilation of our life's space - it is such a

Wasteland

Nothing can exist without being disturbed
Civilization kills!

Wasteland

Sooner or later we'll transform a system
That's already been perfect

It's always been the same, we take
Ourselves too serious
We're not the best of all, we are just a part of it
Is there any race as destructive as we are?

Wasteland

Children are dying for what they do not see
Ideology kills!

Wasteland

Knowledge is something for people with reason,
With responsibility

Wasteland

The more we even learn

Wasteland

The less we understand
