

# Raimundos, A Sua

Time has turned this lie to true  
All the things Ive done I did to you  
But Im tired to live my life this way  
And some day Ill say the things I got to say  
Im tired of believing in you, girl  
I tried to believe in you  
Cause youre so close to my mind (x2)  
And I dont know exactly why  
But Ive forgotten how to live  
The reason that changed my life  
And you know better than anyone  
That I wanted you till the end  
But my feelings doesnt make no difference now  
Its hard to understand  
That Im tired of believing in you, girl...
