

RAMENGVRL, WHO DIS? (RAMENGIRL)

Creepin' creepin'
All my haters creepin'
Back up in these walls, in my socials when I'm sleepin'
Hatin' but still askin' for a favor they be tweakin'
Sayin' whassup on my WhatsApp (beep beepin')
I been going nonstop like a train
It starts with H&M, now I rock a MCM
And they all be, "□□?
How you do it tho?"
I say run for the money and stop hatin' tho
But they still
Creepin', creepin'
Lookin' at who's peekin'
Tryna cut me off, bitch, quiet when I'm speaking
Who dis? Who dis?
Peaceful like a Buddhist
Tryna hit my phone, I don't know you bitch like who dis?
I been strollin' round the city, been a minute since I been in love
Love me blindly, Mussolini, lookin' fancy in Balenci
Yes I got a ex-crush, made my ooh, blush
All it takes for them to love me, now is only five minutes
Back in junior high school I was unpopular
Now they can't take their eyes off me, binocular
Now I see haters on my stories, why they stalkin' her?
These bitches ask for a handout (what?), I'm blocking her
But they still
Creepin', creepin'
Lookin' at who's peekin'
Tryna cut me off, bitch, quiet when I'm speaking
Who dis? Who dis?
Peaceful like a Buddhist
Tryna hit my phone, I don't know you bitch like who dis?
All the way from East Jakarta now I'm up in Westin' (up in Westin', u-up in Westin')
Wanna be mix of Nicki and Kanye West and (Kanye West and, Kanye-Kanye West and)
All the way from East Jakarta now I'm up in Westin' (up in Westin', u-up in Westin')
Wanna be mix of Nicki and Kanye West and (Kanye West and, Kanye-Kanye West and)
Creepin', creepin'
Lookin' at who's peekin' (this is)
Tryna cut me off, bitch, quiet when I'm speaking (but this is)
Who dis? Who dis?
Peaceful like a Buddhist (no!)
Tryna hit my phone, I don't know you bitch like who dis?
Ha-ha-ha
Oh my god
These bitches still creepin' after all these years, like...
Why don't you guys, just use the time and the energy that you guys have, to like-
Water your own grass? You know what I mean?
Like water your own grahs?
And with that like the other's grahs, the neighbour's grahs
Will not look as greener, you know, but, aha
