

# Ramones, Cabbies On Crack

Guided to a path, Broadway, 59  
Took off like a blast  
Almost lost my mind - oh, oh

Cabbies on crack

It first felt like a thrill ride  
Excited for a while  
Got pretty scary swerving at 100 miles an hour - oh, oh

Cabbies on crack  
I want to get out, out of this yellow shell  
I want to get out, crack cabbies straight from hell

And I don't wanna die before I live  
Cabbies on  
Cabbies on crack

Cabbies on crack  
Want my money back  
(Pieces of plastic mouse start to get in my mouth - oh, oh)

Cabbies on crack

Times Square was approaching  
He braked for the light  
At 90 miles an hour, that's why I saw my life - oh, oh

Cabbies on crack  
I want to get out, out of this yellow shell  
I want to get out, crack cabbies straight from hell

And I don't wanna die before I live  
Cabbies on  
Cabbies on crack
