

# Ramones, Freak Of Nature

I need psychiatric therapy  
I could use a lobotomy  
Guess I'll never learn  
Suppose I'll always be a worm

Freak of nature

Got a ten inch erection, a pimply complexion  
(Man I got problems, I'll bet you heard)  
I'm completely misunderstood

Fa

I'm a monstrosity  
I'm a human oddity  
Everybody's staring at me  
I'm an outcast from society  
Freak of nature
