

# Ramones, Heidi Is A Headcase

Headcase baby  
She's a cool kind of crazy  
Wild and she's willing  
(It's an early Dylan)

She drives me crazy, oh yeah

When I look into her big brown eyes  
I'm so glad to know she's mine  
My little headcase, yeah  
Ooh, ooh, yeah, my little headcase, yeah  
Ooh, ooh, yeah

Heidi is a headcase, a rebel and a rouser  
Blasts away for hours  
What's she doin' now on the escalator  
Snorting up some speed on the picture of St. Peters

What 'cha doin'?

When I look into her big brown eyes  
I'm so glad to know she's mine  
My little headcase, yeah  
Ooh, ooh, yeah, my little headcase, yeah  
Ooh, ooh, yeah

Ooh, baby baby, whatever you do now  
Don't ever go away

Ooh, baby baby, whatever you do now  
Don't you ever go astray  
Don't you ever go away - ooh, ooh, yea

Heidi is a headcase
