Ramones, I'm Not Jesus

Don't wear a crown of thorns Got no holes in my hand Don't accuse me of that crime Don't hang me up to dry

It's not me It's not me It's not me

Don't wanna die for your sins Got no special powers Sacrifice and sacrilege Hey man, I wanna live

[Chorus:] I'm not Jesus I can't heal you

Taste my blood It doesn't taste like wine Can't you see This cross isn't mine Judas must die For what he has done Satan's watching With his gun

It's not me It's not me It's not me

Father, Son and Holy Ghost Say your prayers-it's your only hope Twelve apostles can't help you now I'll be back to stake my ground

[Chorus x2]

Don't wear a crown of thorns Got no holes in my hand Don't accuse me of that crime Don't hang me up to dry

[Chorus x2]
